C **Photographer**

ABOUT

I make brand content that people stop scrolling for.

As AI Creative Content Specialist at Hulk Marketing I direct AI-generated commercials and voiceover reels for clients in fostering, legal education, heritage and fitness. As a freelancer I design social media, wedding cards, menus and thumbnails, and I bring a Software Engineering degree to every workflow.

CHAPTER B · AI CREATIVE

AI commercials

Product films, UGC ads and launch videos built shot by shot with generative video: prompts, storyboards, consistent characters and products, then the edit.

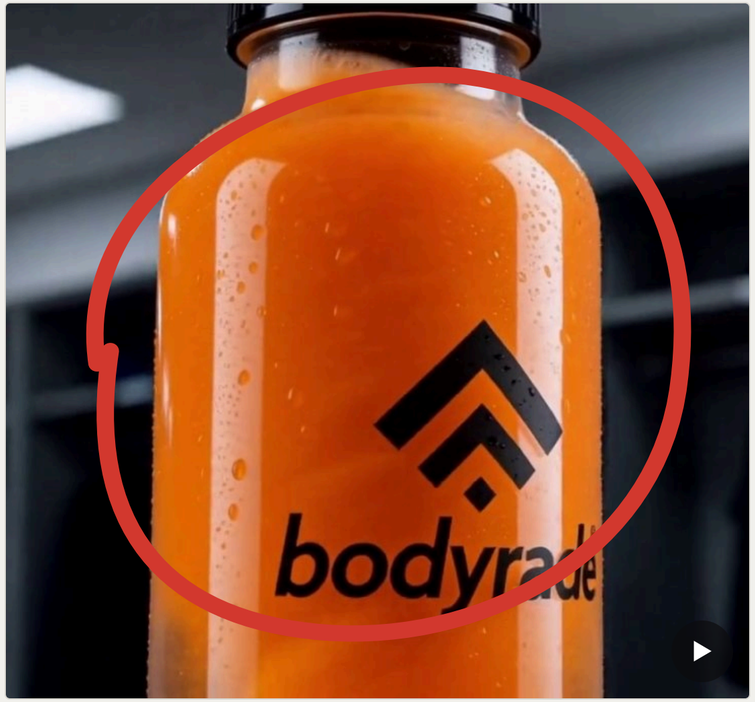

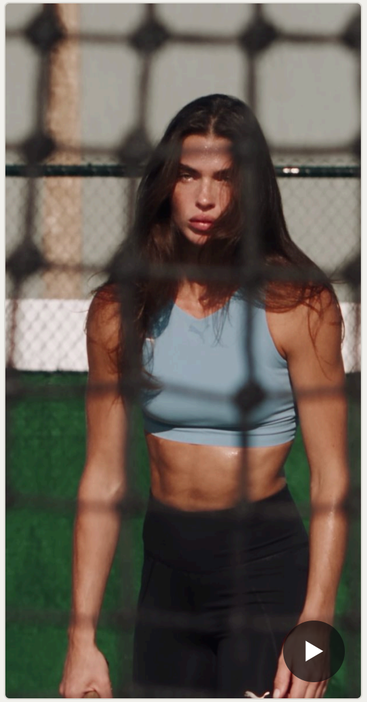

BODYRADE · SPORTS NUTRITION

Eleven commercials, one consistent product world

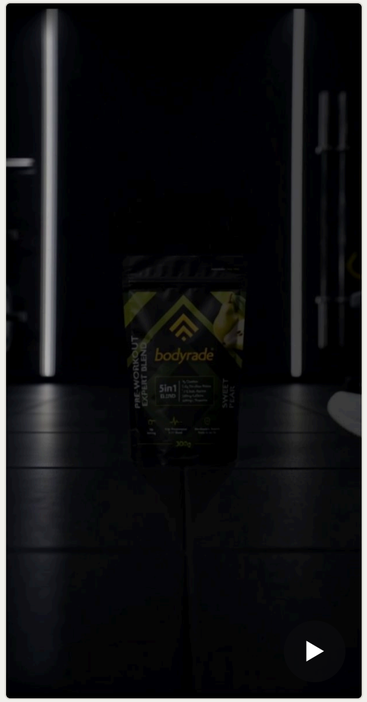

Stadium, padel court, gym and city: every scene generated, the product kept identical from shot to shot, then cut for Reels and TikTok.

F01 **Match Day**
